

## NVD CHECK LIST

### PRIOR TO MOVEMENT OF CATTLE:

1. **You will need a PIC:**

What is a PIC? PIC is a unique eight-character number assigned by Local Land Services to properties with livestock. This property registration system allows for the tracing of livestock to assist with disease and chemical residue management.

*Having a registered PIC is a requirement in NSW for owners of livestock such as cattle, sheep, goats and pigs to have a Property Identification Code (PIC) when trading or moving these livestock.*

If you do not have a PIC? Fill out this form and return to your Local Lands and Services:

[http://www.lls.nsw.gov.au/\\_data/assets/pdf\\_file/0014/503123/PIC-application-form.pdf](http://www.lls.nsw.gov.au/_data/assets/pdf_file/0014/503123/PIC-application-form.pdf)

For more information: Call 1300 795 299 or 02 6659 9400 or visit <http://www.lls.nsw.gov.au/livestock/pics>

2. **Register with the LPA:**

You will have to call the LPA 1800 683 111 to organise buying your NVD book or EDEC's (The new online form of NVD's that will soon be the means of selling your cattle).

*It is recommended that you buy EDEC's rather than the books as keeping up with the progression of improvements of selling cattle.*

Once you have called the LPA and brought your NVD's you will obtain your login details that will allow you to access future buying of books or EDEC's

<https://lpa.nlis.com.au/Account/Login?ReturnUrl=%2F>

### 3. Buying NLIS tags:

The National Livestock Identification System (NLIS), Australia's scheme for the identification and tracing of livestock, has been introduced in NSW.

All movements of cattle between properties with different Property Identification Codes (PICs) must be notified to the NLIS database and all cattle identified.

You can buy NLIS tags from your local produce store e.g. Norco or McGregor Gourlay.

## SELLING YOUR CATTLE:

*It is the LAW to tag all livestock and fill in your NVD correctly and completely.*

1. If you have an NVD book *Take note of the code on the top middle of the form. It must be C0413.* If you do not have this correct form please refer back to question 2 above.
