

Market Demands 2013 LPA NVD

DO YOU HAVE THE CORRECT NVD?????

For some time now processors have been moving towards the phase out of older versions of the LPA National Vendor Declarations (LPA NVD's)

There are currently many different versions of the LPA NVD in circulation and there are many demands from importing countries that do not match up with these older version LPA NVDS.

Agents have been informed by processors and feedlotter that from 1st January 2015 they will ONLY accept 2013 version of LPA NVDS.

By having this 2013 version, Russian Eligible and Saudi Eligible will no longer need to be written on LPA NVD's.

Agents recommend all producers update their LPA NVD's by purchasing a new booklet. Contact the MLA - 1800683111 or use the online link www.mla.com.au/Meat-safety-and-traceability/Livestock-Production-Assurance.

The above link also allows producers the option to purchase eDEC's in preference to a booklet. The eDEC offers producers a significant cost saving (up to 48%) compared with the printed version. The Producer eDECs can be purchased using a credit card and cost \$20.90 (Inc GST) for 20 NVD Waybills (can also be purchased in bundles of 5, 10, 50 and 100). Once printed are valid for 15 days.

The Latest LPA NVD version is recognised by the pre-printed edition number **C0413**.
(See Example below)

If producers want to attract full competition and acceptance of their livestock they must have the latest version 2013 LPA NVD's by January 2015- **ORDER NOW TO AVOID DELAY.**

If you need further clarification or require further assistance in updating your LPA NVD booklet please don't hesitate to contact our office.
